Represent Your Industry, Influence Your Association

PRESIDENT'S MESSAGE

On behalf of your Board of Directors, welcome to Concrete Alberta's 62nd AGM and Convention.

It has been an honour to represent Concrete Alberta and its membership and thank you for entrusting the Association with me. In my time with the Concrete Alberta Board of Directors and the Technical Committee I have experienced firsthand the energy, effort and dedication of the Concrete Alberta staff, board members, committee members and volunteers. I encourage all members to consider getting involved in the Association in any way you can – the work that we do cannot be accomplished without you. You are the backbone of this Association and your commitment and support of the Association is critical to our success.

Tyler Callaghan
Concrete Alberta President

EXECUTIVE DIRECTOR'S MESSAGE

Welcome to our 2024 Annual General Meeting and Convention at the Jasper Park Lodge. I have been told, past Conventions in Jasper have been some of the best so I'm looking forward to the next few days we have together.

Over the past 6 years of attending Concrete Alberta's AGM's, I've seen many changes in the industry and I am excited about the advancements the Association continues to make as we look ahead and keep achieving the successes we strive for.

I hope that you enjoy the program that has been put together for you—it is going to be full of information and discussions. All of which will set the tone for where we are heading as an Association.

I look forward to engaging with you!

Dan Hanson
