

**EXAM RE-WRITE FORM**  
**ACI CSA Standards Concrete**  
**Field Testing Technician**  
**Certification Program**

In order to re-write either portion of the ACI CSA Standards Concrete Field Testing Technician Certification Program, ACI stipulates that you have a time limit of one year of successfully completing the other portion to re-write the test. You must complete this form and submit it to the Concrete Alberta office to set up an exam date. The scheduling of the exam is dependent on the availability of a chief examiner and a facility. You will be contacted by the chief examiner or Concrete Alberta to arrange a time and place.
